

# Use of Image, Likeness or Voice Captured at Public Events Disclaimer

The Pebble Creek Democratic Club often hosts or participates in meetings and events that are open to the public. Those events are considered news events. Such an event may be photographed, video-taped or webcast for purposes of archiving the event, educational use, or publicity. Members of the club or the public who attend those events may have their image or voice captured on video, webcast or photograph(s).

Due to the nature of these events, the Pebble Creek Democratic Club has no means by which to prevent such photographs, videotaping or webcasting from including a specific attendee's image or voice. By attending the event, such person is granting the Club and any publication the right to use any such still or motion images or voice recordings in future publicity and publications, including web postings as needed and without compensation.

No release or permission shall be required by the Pebble Creek Democratic Club to utilize any images captured at a public event, even if the subject is a minor. For additional information, please contact John Moore at (805) 585-8500 or by email at [johntmoore@gmail.com](mailto:johntmoore@gmail.com).
